Labuan Jurisdiction Best To Connect Your Business Within AEC and Asia Pacific!

E. & O.E.

Archipelago Life Insurance Limited also offers peace of mind, thanks to its backing by the world's fifth largest reinsurer, with a rating of A+ given by Standard & Poor's and with €5billion in shareholder equity.

Archipelago Life Insurance Limited

Archipelago Life Insurance Limited is licensed under the Labuan Financial Services and Securities Act 2010 to carry on business as a Labuan life insurer. It operates within the strong Labuan IBFC regulated environment and is also a member of the Labuan International Insurance Association (LIIA).

With its co-located office in Kuala Lumpur, it aims to penetrate the Asia Pacific region with its innovative suite of products targeted towards the high net worth individuals and multinational corporations.

Archipelago Life Insurance is licensed to underwrite all lines of life insurance including captives and reinsurance. By working closely with licensed insurance brokers, we are dedicated to delivering exceptional service to their corporate clients. Our strength lies in being able to provide customized insurance solutions to meet each unique client needs.

Archipelago Life Insurance is an operating company and the life insurance arm of the Archipelago Group of Companies. Through its three operating entities licensed by Labuan FSA, the Group adopts a comprehensive and multifaceted approach to developing products and services encompassing general insurance, life insurance, protected cell captives and captive management services.

E. & O.E.

Asia Specialty Insurance Ltd

is a newly incorporated general insurance company with its headquarters in Labuan FT, Malaysia. Asia Specialty Insurance Ltd is emphasizing its insurance business on Aviation and Marine insurance in the South East Asia region.

Asia Specialty Insurance Ltd (ASIL)

was established in Labuan in 2012 with a paid up capital of USD 3,356,994 and which will be increased to USD 50,000,000.

With the intention to increase the capitalization significantly, the company is attempting to get an international credit rating from a reputable rating agency, AM Best.

The company writes mostly short-tail facultative business in the Far East with the initial focus on South East Asia.

ASIL intends to be a niche player, with the strategic positioning of being a flexible and innovative underwriter complementing the existing significant list of international and national reinsurers in the region.

The company would be underwriting-focused, and wish to establish itself as a reputable reinsurer in the region which offers good service including that of claims. The company would rely on its network of regional brokers and strategic alliances to develop its business.
